

## Introduction

# DeFINE PROJECT

**DeFINE - Developing a Fashion-tech Innovation Network for Europe** aims to support the fusion of **cutting-edge technologies** and **innovation** into the **European Fashion and Design Industries**, building up a **network** of incubators & accelerators, start-ups & smes, and financiers to form a **fashion-technology community** to promote knowledge sharing, new ideas and collaboration.

Co-funded by  
the COSME programme  
of the European Union  
under GA n.806912
